Organization & Introduction to Scientific Python

Machine Learning 1 Practicals

Thomas Wedenig

Mar 11, 2026

Institute of Machine Learning and Neural Computation
Graz University of Technology, Austria

Organization

- Syllabus on **TeachCenter** contains all organizational matters regarding the **practicals**

Important Dates

- Register for a group on TeachCenter **before 24.03.2026** (23:59) **!**

No	Assignment	Handout	Deadline
1	Linear & Logistic Regression, Gradient Descent	25.03	**22.04** (23:59)
2	PCA and Neural Networks	22.04	**20.05** (23:59)
3	Course Project	13.05	**17.06** (23:59)

After you get the points for a submission, there will be random assignment interviews
